

MASTERPAV DF400 CONCRETE STAIN

Masterpav DF400 Concrete Stain is a specially formulated non-reactive semi-transparent stain that will penetrate and colour most porous concrete surfaces. It can be mixed in water, acetone, or denatured alcohol. It is ideal for exterior use as it is UV protected and will not fade in the sun. It is packaged as a liquid concentrate. Mottled looks similar to acid stain applications can be accomplished with application techniques. Ideal for exterior floor, interior floor, driveways, walkways, counter top, stucco wall, old and new stamped concrete.

	TOPAZ		STORM CLOUD		SAND		RAGE
	PADRE		PACIFIC		ORCHID		ORANGE CRUSH
	OBSIDIAN		MUSTANG		MOSS		MILK CHOCOLATE
	DARK CHOCOLATE		CITRON		CANARY		AMBER

Note:

Colours shown in this chart will be vary from the actual concrete stain colour. Colour variation will be expected in the final product due to different concrete condition.
